PRODUCT CATALOG

JSC «Brestskoye morozhenoye»

JSC «Brestskoye Morozhenoye» - is a modern, dynamically developing enterprise for the production of high-quality dairy products, which have long established themselves in domestic and foreign markets. The company has not only a rich history, but also being a consumer preference among Belarussians for 60 years.

The key success factors of company are:

- The best production technologies
- Professional team
- High quality raw material usage
- Strict quality control of manufactured products according to legislative regulations (STB ISO 9001-2015, HACCP system (STB 1470-2012)
- Extensive experience in the dairy industry
- Release of natural products based on traditional recipes
- Constant development and work on expanding the range of products
- Automation and modernization of production
- Love and respect for our consumers and working partners

The policy of «Brestskoye Morozhenoye» is aimed at the production of a natural product without genetically modified components, which may harm human health and the environment. In order to guarantee the quality and safety of our products, we purchase the best dairy raw materials from eco-friendly regions.

Our company produces products under the following brands:

«Timosha» – is a series of tasty and healthy delicacies - ice cream, glazed curds, curd masses, which are made from natural ingredients.

«Ostromechevskie prostory» - is a series of dairy products where naturalness, homemade taste, the best traditions of the past and modern technologies are combined.

«Home Cheese» - is a series of semi-hard cheeses with an exquisite taste for connoisseurs of traditional classics.

«Tvorozhkino» - is a series of curd desserts.

The products manufactured at the enterprise have won the trust of consumers, which is confirmed by numerous diplomas, certificates, medals, high awards from the most prestigious international and Belarusian competitions.

Not resting on our laurels, the company's team is actively working on a daily basis to create new interesting offers for their customers.

We are always glad to see you among our regular customers!
